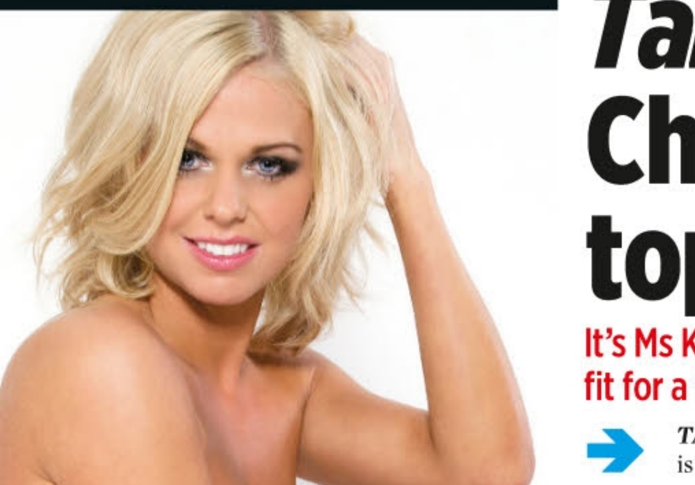
# *Take Me Out*'s Charlotte, topless!

## It's Ms Kennedy, not fit for a family show!



➔ ***TAKE ME** Out* is a peachy, home run of a show for *Nuts*. Not only does it give us something to watch while we iron our pants in front of the TV in preparation for a night on the falling-down juice, it also acts as a top talent scout for our girl coverage. Step forward, Lighty Lady Charlotte Kennedy, popping out of her top for our exclusive sexy pics. Ten *Nuts* points to Paddy McGuinness! Your usual cheque and a warm sausage bap are in the post.

# Top Gear's season 19 secrets!

## The inside line on the new series of the best show on the box!

**IT SEEMS** crazy, but this Sunday the Beeb are cranking out series 19 of *Top Gear*! If it was a chap, it would be skint, mooching through its second year at university and working in a pub at weekends.

But the unlikely bromance of three grumpy, middle-aged men – with some cars thrown in to mix it up – is as strong as ever. Indeed, here's what to expect from the new series. Hint: includes men being silly.

**THE BOYS ARE BACK ON TV!**

### 2 JAMES MAY'S OFF ROAD BENTLEY

In this episode, the good Captain answers the question that bugs pretty much everyone: how good a rally car is a £150k, 205mph Bentley Contintental GT? A rally driver helps.

### 3 THE PERFECT OAP-MOBILE

A silly construction challenge saw Clarkson and Hamster turn a Fiat Multipla into the world's best granny taxi, featuring wing mirrors like Rooney ears and a cat graveyard on the roof.

# Tesco burger gags!

## Straight from the horse's mouth

**SO TESCO,** Lidl and Aldi got in a spot of bother last week, after horse DNA was found in their burgers. They found it no laughing matter. But our readers did! Here are the best gags sent in by you, our mane men!

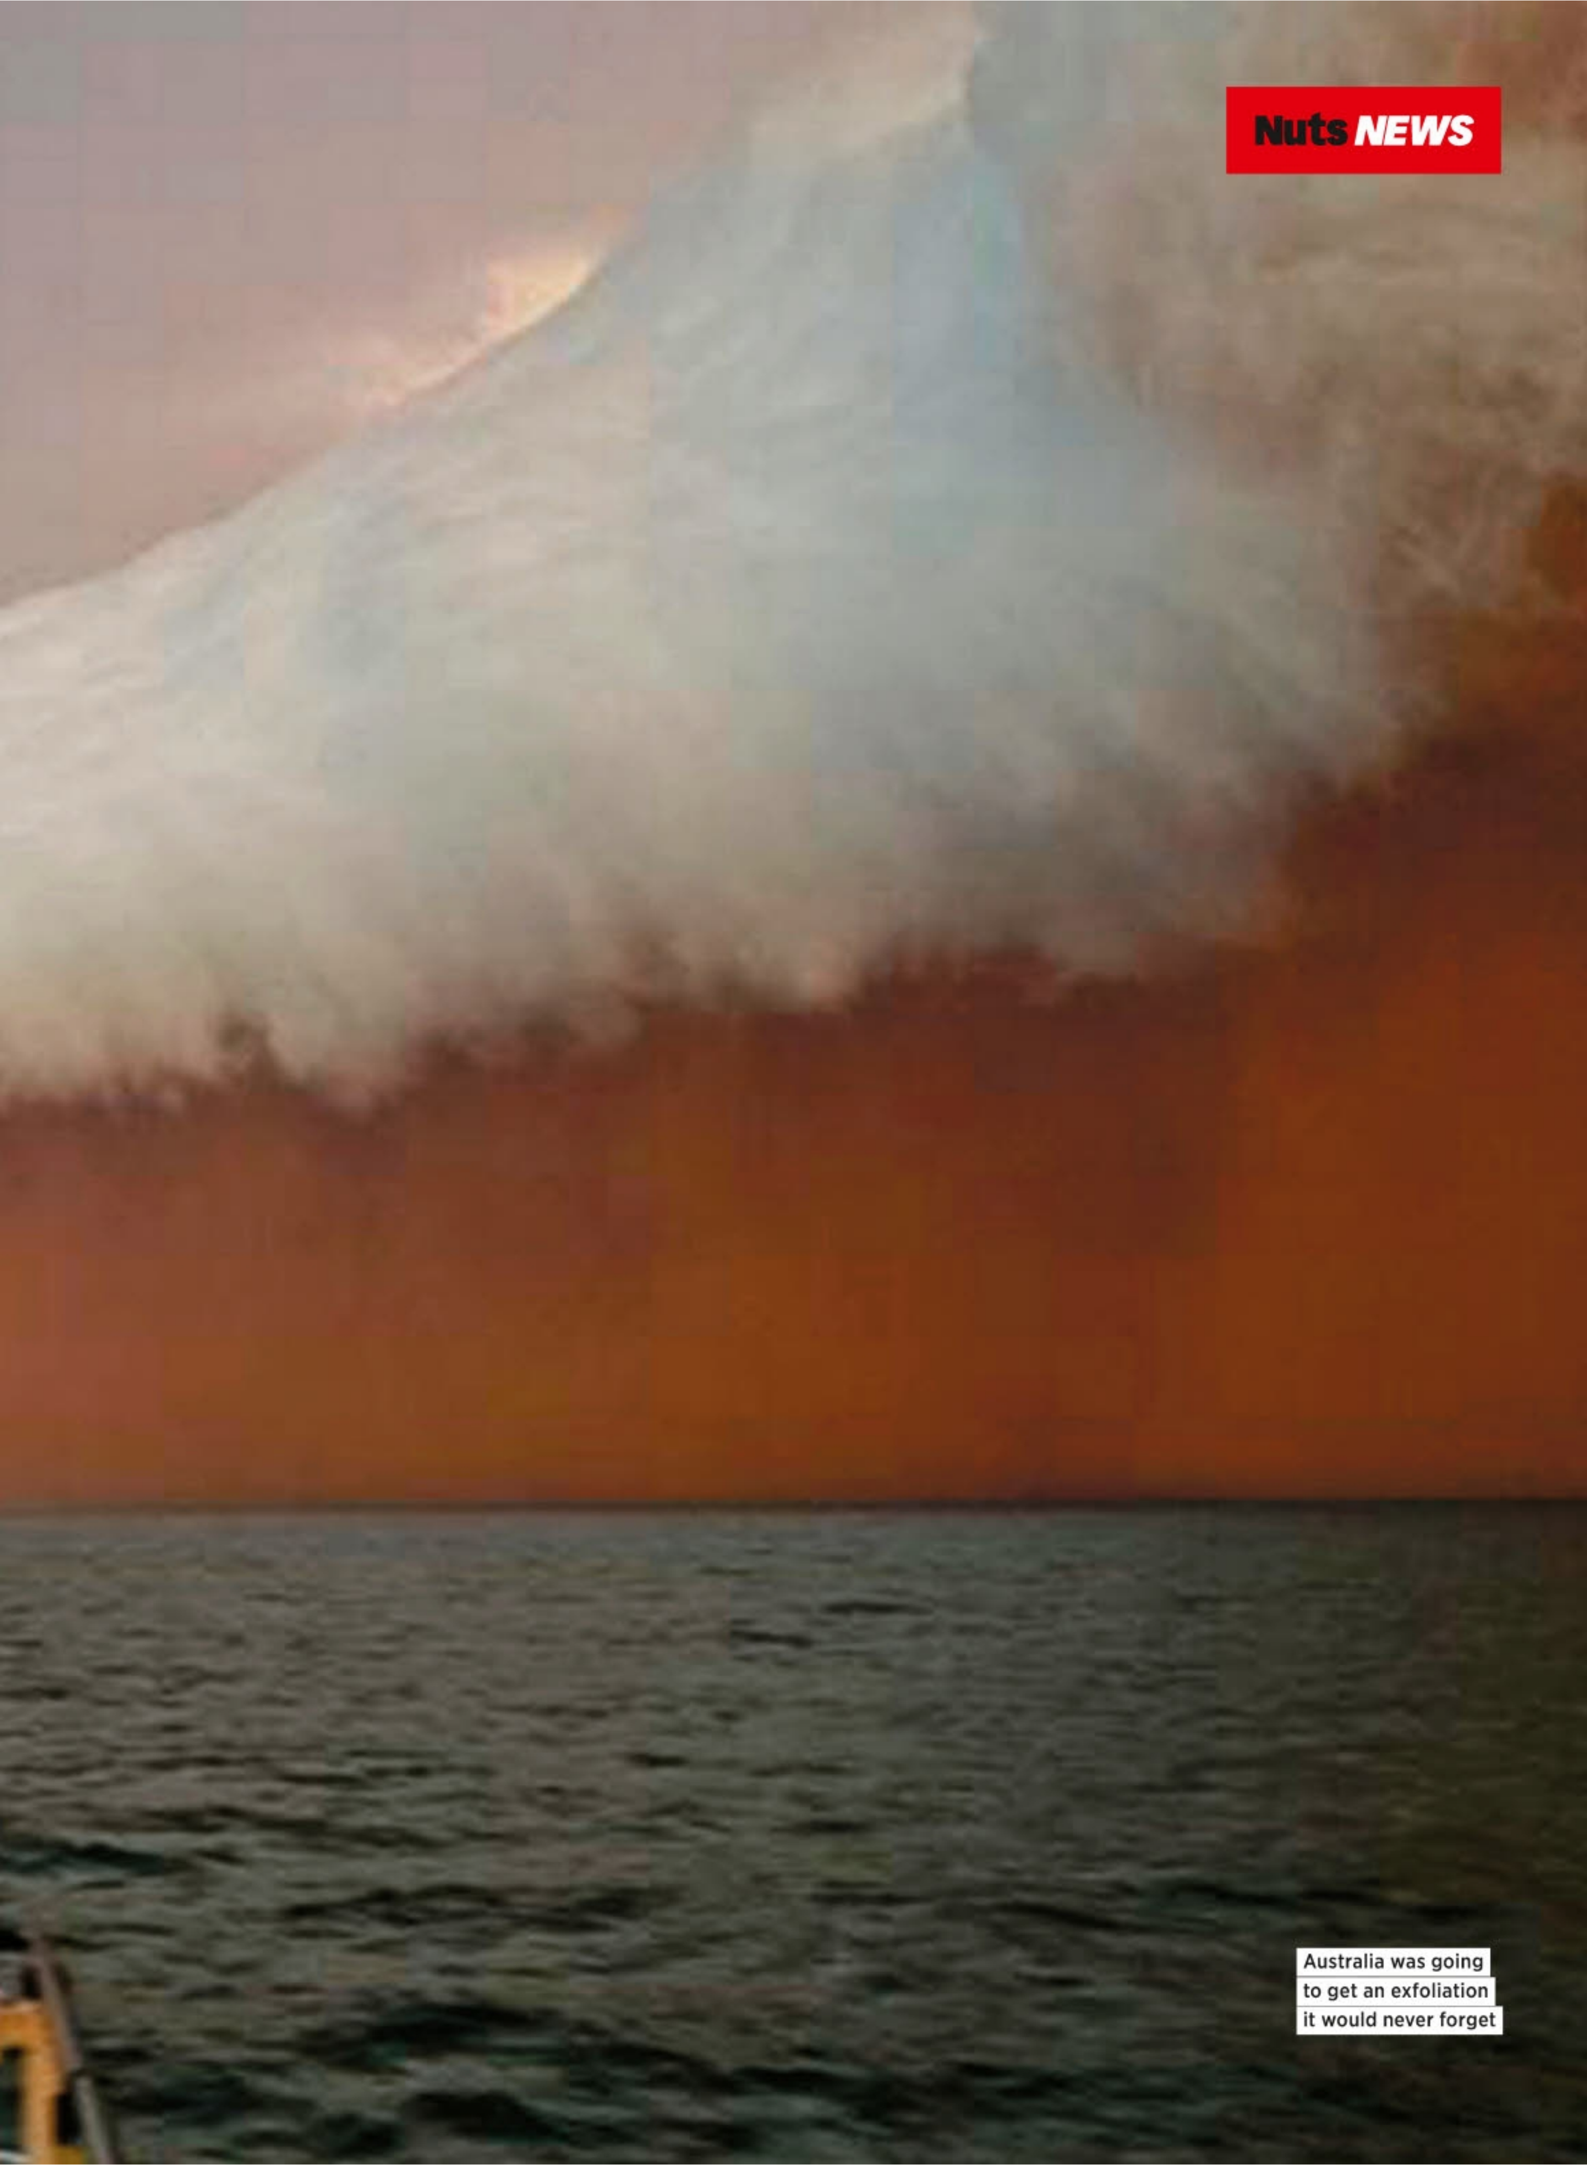
# Wall of sand!

## Walking on water! Like a grainy Jesus!

**THIS MAY** look like the world's most aggressive storm coming at the town of Onslow, northwestern Australia. But it's actually the opposite.

In reality, it's sand blown across the parched Western Australia territory that's been caught in a storm front going out to sea, not inland. The sand can move across water because the particles are dispersed into the air, so essentially have no weight.

Rumours local Aussies gathered their belongings and fled, screaming into the night, have no basis in reality. But definitely happened. Definitely.



Australia was going to get an exfoliation it would never forget

# A quick word with Ricky Gervais!

## The funny little fat man on Mr Bean, romantic comedies, pretend crying and his critics!

**Hi Ricky! *Derek* is back with a full series. Did you care that the pilot got some flack about the treatment of people with learning disabilities?**
I worry whether people like what I do. I never worry if people dislike it if they don't get it. Sometimes I feel like I've landed at Normandy. I can hear the bullets waiting!

**Do you ever wish your critics were a bit less, erm, critical?**
Complaining there are critics is like a sailor complaining there are waves. They exist! I used to be a critic and go, "I could do better than that." There are only so many times you can say that before you've got to put your money where your mouth is.

**So what's "wrong" with Derek exactly? Are you sure you're not being cruel and making fun of disability?**
I've never considered him disabled. He's not Down's syndrome, he's not autistic, I don't think he has learning difficulties. If he was disabled, he'd be a positive role model. It's not cruel.

**RICKY'S NEW ROLE!**

Written by and starring Ricky, *Derek* follows the life of a care worker in an old people's home.

**But he does shuffle around like someone who's a bit, well, slow on the uptake.**
I see people like that all the time. Karl Pilkington walks like that with his mouth open! What about Mr Bean? What the f**k is wrong with him? As Karl said, you're not allowed to laugh at anything any more, just in case. He said, "Crying's the new laughing." Like in *The X Factor* where people do this. [Mimes fanning fake tears with his hands.] When did that start?

**Don't you like tears? Aren't you at least a little bit soppy?**
I am soppy. *The Office* was a romantic comedy. *Extras* was a platonic romantic comedy. Everything I love is a romantic comedy. *The Office* was about being 30. *Derek* is about being 80! After the pilot, lots of people tweeted, "Is it a comedy or a drama? I laughed but I cried." I said, "Hang on. That's life!" In *The Office*, *Extras* and *Life's Too Short*, there was juxtaposition between how the characters saw themselves and how we saw them. Here, the characters say what they mean. His friends are outsiders, but they had to be a bit odd because they're all trumped by their kindness. It's a show about kindness.

> **"Sometimes I feel like I've landed at Normandy!"**
> Ricky Gervais

**Where did you get the idea?**
He's a character I had from before I did *The Office*. He was always nerdy. He was originally an autograph hunter. It took me ten years to work out where to put him. I realised it had to be an old people's home. It's easy to write about what you know. I worked in an office and I wrote about it. Then I got famous so *Extras* was about fame. Six of my family members work in care, so this is a return to before I was famous.

**Will you be checking opinions on Twitter when the series starts?**
I might, if I'm in. I did with *An Idiot Abroad*. People kept tweeting things like, "Have you got knees?" People who weren't watching it must have thought, what does that mean?

**Do you get upset when people are nasty on Twitter?**
No, but witlessness annoys me. I want to call them up and go, "Do you know how f**king stupid that is?" My favourite tweet was "Everyone's entitled to their opinions, so shut up about your atheism!" I retweeted that. Brilliant. The only reason I block people is

when they go, "Tweet about something else." It's like stalking someone and going, "Can you go a different route?" You're following me!

**Thanks, Ricky! Do you have enough ideas for a second series of *Derek*?**
I've got another 50! But let's do another six. I'll need a lie down after another six!

- *Derek* is on Channel 4/HD on 30 January at 10pm.

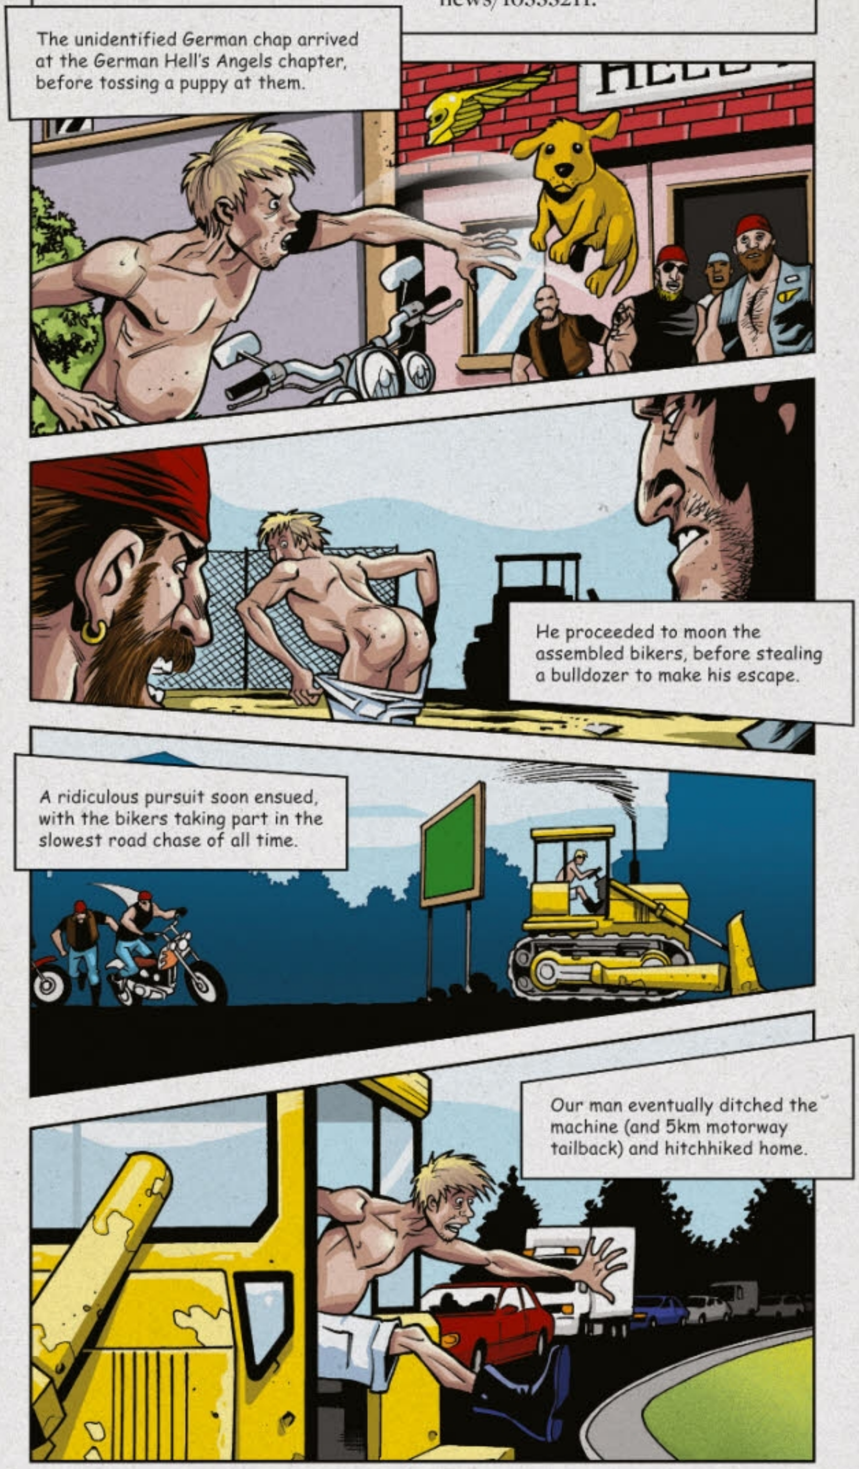
# It's the news, in cartoons!

## *Nuts* illustrates the news without pictures!

➔ **SADLY, THERE** won't always be snaps of the news stories that we like to cover in this revered periodical. Luckily, for times like this, there are cartoonists, ready to leap into action, so we can still bring you the stories that count. Like this genuinely true story – covered by BBC News – about a German who threw a puppy at Hell's Angels, before escaping, on a stolen bulldozer. Read it in full at www.bbc.co.uk/news/10333211.



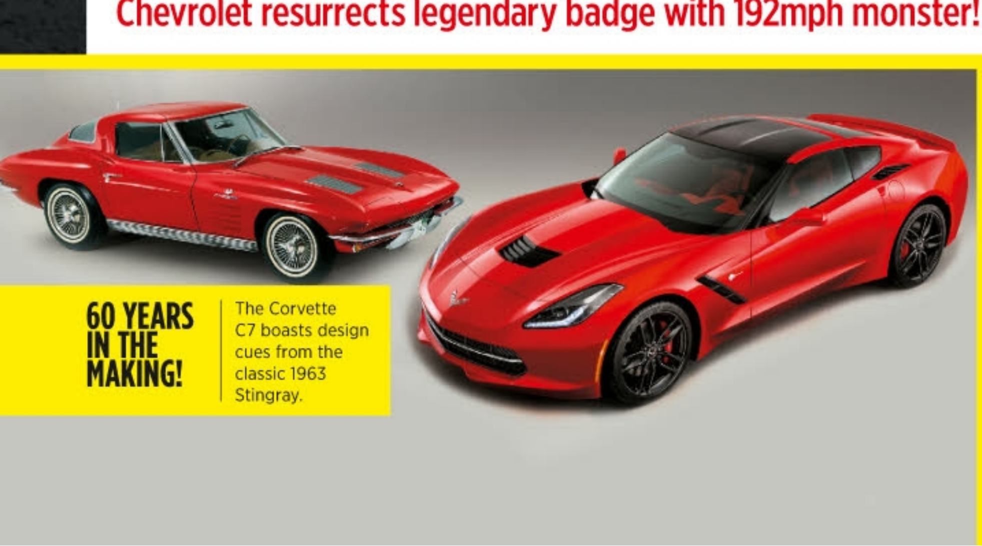
The unidentified German chap arrived at the German Hell's Angels chapter, before tossing a puppy at them.
HELL
He proceeded to moon the assembled bikers, before stealing a bulldozer to make his escape.
A ridiculous pursuit soon ensued, with the bikers taking part in the slowest road chase of all time.
Our man eventually ditched the machine (and 5km motorway tailback) and hitchhiked home.

Corvette's "Movember" was rubbish

# New Corvette Stingray!

## Chevrolet resurrects legendary badge with 192mph monster!

- **When it comes to pure Americana, the Corvette is up there with apple pie and not understanding irony. And we've been waiting far too long for a fresh version. 2013 marks the 60th birthday for the 'Vette and to celebrate, the new C7 variant brings with it a new ripped physique, more power, more tech and the resurrection of the Stingray name. In fact, there are only two parts carried over from the last generation 'Vette.**
- Contrary to rumours, the new 'Vette hasn't mutated into a mid-engined monster. True to its roots, the hoofing, grenade-proof 6.2-litre V8 lives behind the front numberplate, just like all 'Vettes before it. And yes, the great American grunt is still primarily fired out through the rear tyres.



**60 YEARS IN THE MAKING!** The Corvette C7 boasts design cues from the classic 1963 Stingray.

"Ugh! Pass the Resolve, honey"

Traffic warden was going to thoroughly enjoy this one

- **Performance is up there with Ferrari's finest, too. This is just the entry level C7 (the hotter Z07 and ZR1 models will follow) and yet you're staring at a cluster of 190mph fibreglass and carbon fibre with 450bhp, capable of 60mph in under four seconds and a high note of 192mph.**
- Despite still using old-style leaf rear suspension, the 'Vette has proven itself worthy of corner capers, winning several times at Le Mans and in circuit racing. This C7 promises more of the same, with perfect 50/50 weight distribution, a carbon fibre roof and the latest aluminium chassis tech.
- **The Corvette's 6.2 V8 is said to have had a total revamp, with direct injection, active fuel management and variable valve timing. And if you choose a manual gearbox, you'll get seven speeds to shift through – just like the latest Porsche 911. Clever gearbox electronics will even automatically blip the throttle to match the revs when you change down.**
- The Corvette has always been pure entertainment to drive but, shamefully, sitting behind the wheel felt like being in a ten-year-old Toyota minicab. After 60 years they've finally got it right, with the C7's cabin boasting Audi-influenced switchgear, driver-biased dash controls with a speedboat style binnacle, and infotainment worthy of a Porsche.
- **In order to stay chin-to-chin with its rivals, the Stingray now features a five-stage Drive Mode Selector (Weather, Eco, Tour, Sport and Track) to enable the driver to decide how lairy/grippy/thirsty/fighty they want the 'Vette to behave.**
- Expect to pay about £50,000, but for that money you'll be getting a whip that outguns the horsepower and performance of a near-£90k Audi R8.

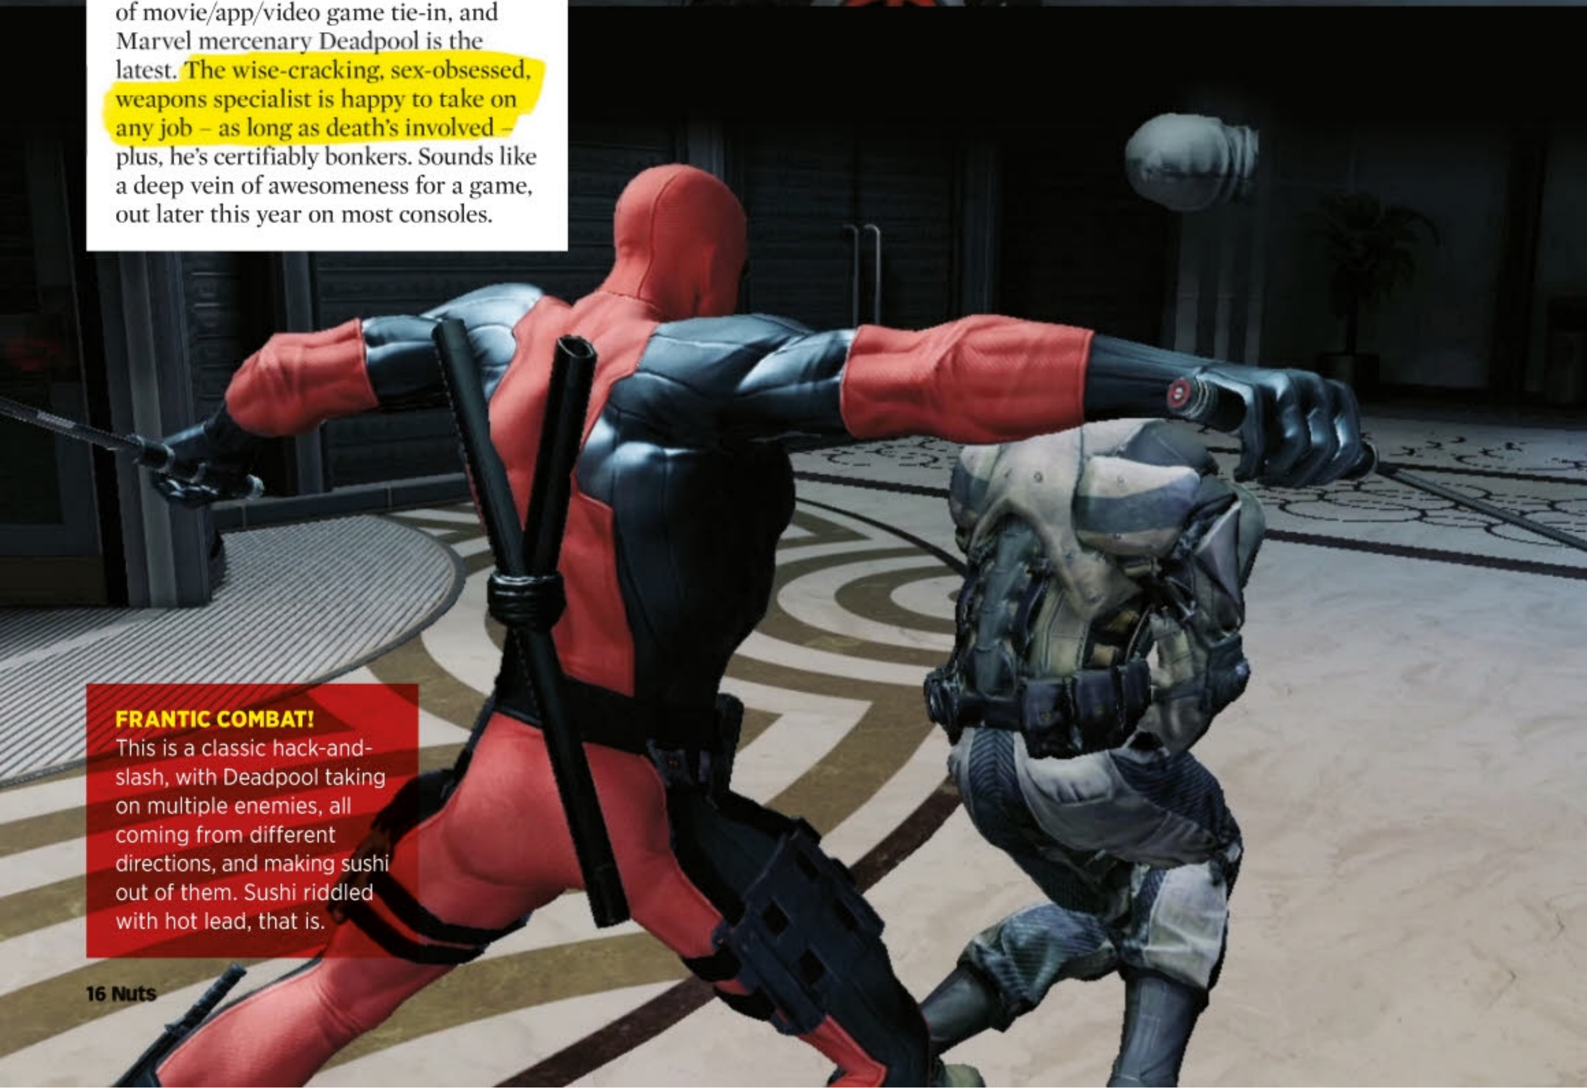
# *Deadpool*: first look!

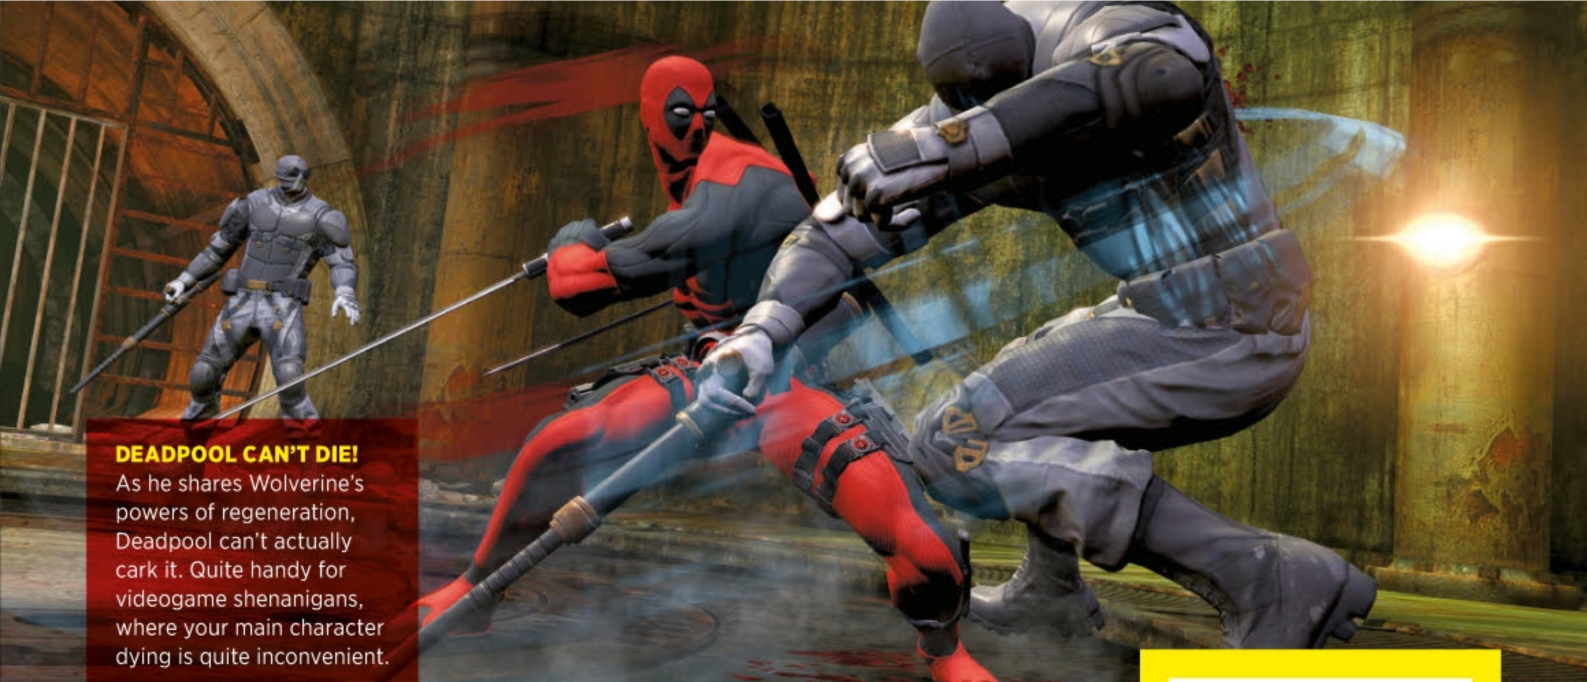
## *Nuts* gets eyes on with the mentalist mercenary!

**IT SEEMS** no comic book character these days hasn't been tapped up for some kind of movie/app/video game tie-in, and Marvel mercenary Deadpool is the latest. The wise-cracking, sex-obsessed, weapons specialist is happy to take on any job – as long as death's involved – plus, he's certifiably bonkers. Sounds like a deep vein of awesomeness for a game, out later this year on most consoles.

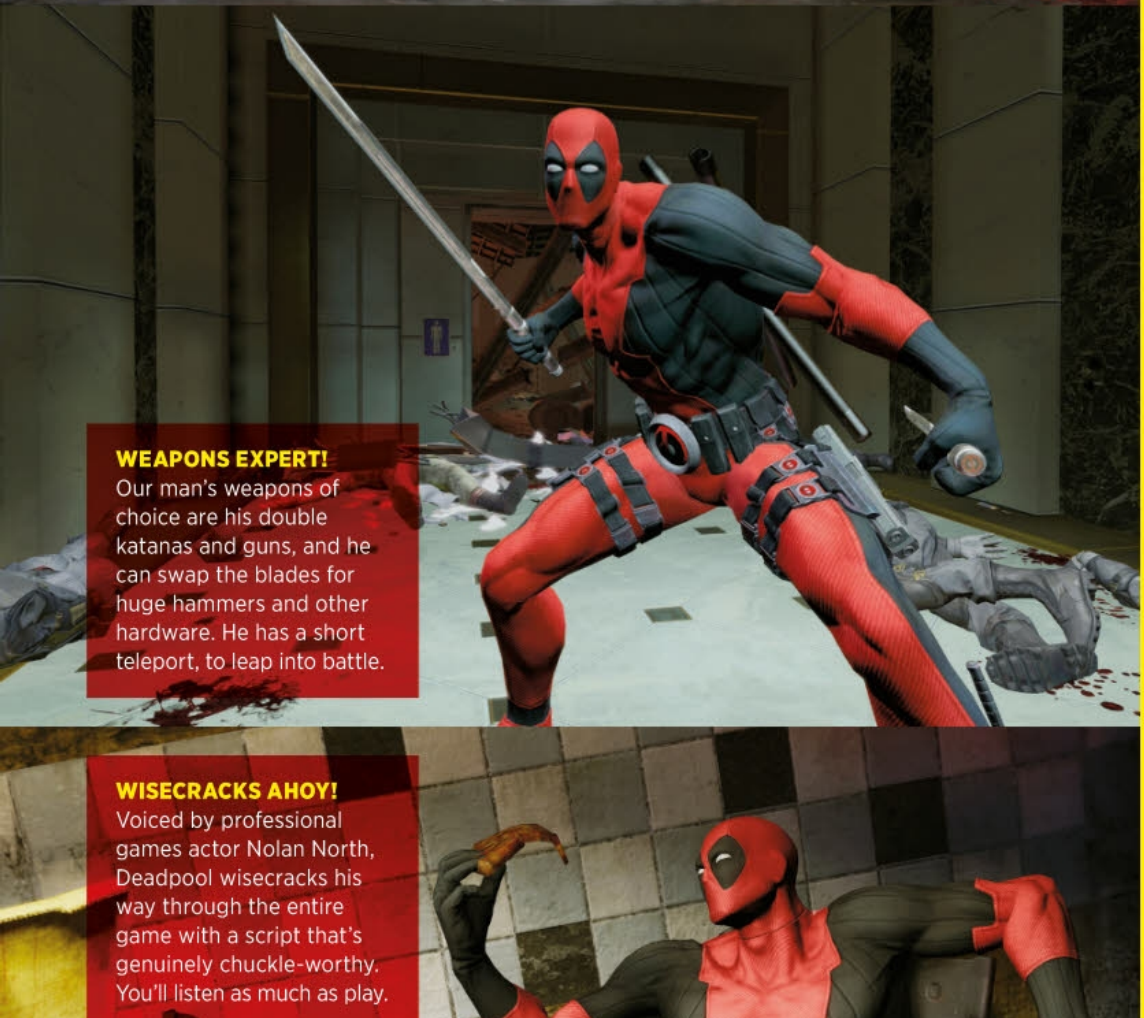
**UPGRADES!**
Multiple kills give you "Deadpool points" that you can spend on upgrading your weapons or on new moves, with great names like "mashed braintatoes" and "buckshot shimmy".



**FRANTIC COMBAT!**
This is a classic hack-and-slash, with Deadpool taking on multiple enemies, all coming from different directions, and making sushi out of them. Sushi riddled with hot lead, that is.



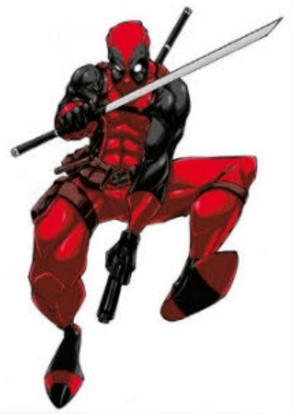
**DEADPOOL CAN'T DIE!**
As he shares Wolverine's powers of regeneration, Deadpool can't actually cark it. Quite handy for videogame shenanigans, where your main character dying is quite inconvenient.



**WEAPONS EXPERT!**
Our man's weapons of choice are his double katanas and guns, and he can swap the blades for huge hammers and other hardware. He has a short teleport, to leap into battle.

**WISECRACKS AHOY!**
Voiced by professional games actor Nolan North, Deadpool wisecracks his way through the entire game with a script that's genuinely chuckle-worthy. You'll listen as much as play.

WORDS: RORY BUCKERIDGE



# Who is Deadpool?

**NAME:** Wade Wilson

**ORIGIN:** As a patient in the "Weapon X" programme, he was given Wolverine's regenerative powers. Sadly, these powers also accelerated the growth of the tumours he was suffering from, turning him mental.

**SPECIAL SKILLS:** Weapons, martial arts and expert marksman.

**STRANGE FACT:** Deadpool is unlike other characters in that he knows he's in a comic, and often talks to the reader directly. This also happens in the game.

**PLUS:** Deadpool is unhinged, with multiple personalities and he also suffers from hallucinations.

## Gemma Merna

**In *Hollyoaks***

Well, this is awkward. Even Gemma doesn't know quite where to look.

# RUDE NEWS

Hot, breaking current affairs stories! In biknis, mostly!

## Jessie J

The pool at the Marina Bay Sands hotel is famous for its views. Adding Jessie in the foreground is just, well, showboating really.

## Emma Rigby

**On her hols, Miami**

While Emma seems to think matching an orange hat with a red bikini is acceptable, she needs to ask herself: is this why our grandfathers died in the war? Hint: no.

## Irina Shayk

**Agua Bendita shoot**

This is a nice shoot for the Colombian swimwear house, filled out by Mrs Ronaldo's fun bits. And a 12-year-old's elastic band collection, it seems.

## Sofia Vergara

See if you can guess what Sofia's flogging in this pic? Bingo! It's Colombian women with huge boobs!

## *TOWIE*'s Lucy M

**On her hols, Mexico**

In their downtime, it's always telling that *TOWIE* stars holiday worlds away from Essex. The Southend tourist board must be fuming/well jel/erm, reem?

## Kimberley Walsh

As you can see, *Strictly Come Dancing* did wonders for Kimberley's figure. But she's still unsure why Len followed her to the beach, popping off 7s!

# The Prem star whose dark secret nearly killed him!

## Leon McKenzie on tackling his demons!

Ex-Norwich star Leon now helps players fighting depression

**FORMER PREMIER** League star Leon McKenzie knows what it's like to score the winner against Man United, but he's also experienced depression first-hand. Since retiring, Leon has devoted his life to helping players experiencing mental health problems, as well as getting people who aren't affected to feel more comfortable talking about mental health. He tells *Nuts* why he kept quiet for so long – and why he decided to shatter the stigma attached to issues of mental health in football.

"Towards the end of my career, I was getting a lot of injuries and it became quite draining," he explains. "Things started to creep in – I felt I wasn't in control of my life. There were signs – locking myself away, not wanting to be around anybody. I was just isolating myself in the hotel where I was living. And that's the worst thing you can do."

On the outside, though, Leon seemed to be his usual bubbly self. Had his team-mates known the truth, they may have been able to stop what happened next.

"When I left training, I was quiet, seemed like I was lost, isolated, slept a lot. I was just trying to hang on to the appearance of a strong personality, but it got too much and I tried to take my own life."

Leon took an overdose of sleeping pills and painkillers. It would have killed most people, but he survived. And in the weeks and months that followed, he decided that some good could come of it.

"After I came through it, I learned that speaking is a form of healing. The illness can afflict anyone and there are a lot of footballers who are struggling with it. Speaking about it has worked wonders for me, so after that, I started trying to raise awareness. Vincent Péricard [former Portsmouth and Stoke striker] contacted me – he had his Elite Welfare Management team already and I've been involved with them since. Other players contacted me too, so that gave me confidence to go forward."

Leon's message is simple: talk about it. Get support. Don't be ashamed. And look out for friends, family or colleagues who might be going through a hard time – it could be as simple as sending a text.

"I think players see coming forward about it as a form of weakness, but that's down to understanding. Society has got to change. It needs to reach a point where if you have a problem your colleagues are sympathetic and want to help."

You don't have to be an expert to start a conversation about mental health. Find out how at www.time-to-change.org.uk.

let's end mental health discrimination

## I can't afford posh undies!

**I really want to buy my missus some fancy undies – but I'm broke! What can I get her that's sexy but won't break the bank?**

**COFFERS** London

There's no point buying cheap undies, so the next best option is a bubble bath. It's just like wearing undies, but she's always naked. Don't get in the bath with her. Girls like space and leg room, and men are always too awkward in baths. Scrub her back and wash her all over. Inserting two strong fingers inside her will remind her to return the favour!

**LETTER OF THE WEEK!**

## Where's the magic spot?

**I read in one of my missus' magazines that a sure-fire way to make a girl come is to tickle her clitoris, but where can I find it without being all fumbly?**

**PAUL** via email

You're going to have to learn the hard way on this one! Try asking your girlfriend where it is. Brush her arm and kiss her neck to warm her up a bit. She'll think you're just talking dirty, and in return, she'll no doubt play with herself in front of you. Then you can learn about all that tickling stuff first-hand.

## Should I swoop for mate's ex?

**My mate broke up with his girlfriend, but I really fancy her. How long should I wait before making a move – if ever?**

**BILLY** Thetford

Billy, this is dangerous territory. Consider this: even if you get her, she'll be thinking of him. Girls make links in their minds. If you're his best mate, it would be natural for her to associate you with him. It sounds like a no-winner. Find your own woman!

## Her hands are too rough!

**My girlfriend gives me really rough hand jobs! They actually hurt me. But I don't want to offend her. What's the best way to handle this?**

**DUNC** Chester

Teach her! Girls would die to be taught by a guy how to actually do it. They have no idea, as they don't have one. Wouldn't you love to see a girl masturbate in front of you, slowly and in lots of detail? Play "show and tell" with her. Cover it up by role-play. Every play has a message – it's just in disguise.

The man squints and says, "A lady taking off her bra."

The psychiatrist strokes his chin and holds up the last image. "And this one?" he asks.

"A massive pair of breasts!" shrieks the man delightedly.

"I'm sorry, sir, but I have to conclude you're a sex maniac," says the psychiatrist.

# Nuts NEXT TOP MODEL!

ONLY IN Nuts!

Introducing the hottest new models – in their first ever *Nuts* shoot!

# Ellis

## Meet the 21-year-old sexy Sunderland lass!

**Hi Ellis! How does it feel to be doing your first *Nuts* shoot?**
Hello! It's about time! I've been waiting for quite a while now, so I'm finally glad its happened. *Nuts* is pretty much the ultimate magazine!

**So how did the shoot go?**
I love how sexy the shoots are and how amazing the girls look. It was really good fun.

**Have you always wanted to be a model?**
Yes! Glamour modelling is so much fun, I couldn't think of a better job to have!

**Who's your fave *Nuts* babe?**
The lovely Sabine! I love her! I bet she's fun to shoot with!

**If you could do a shoot with Sabine, what would it involve?**
It'd be in Costa Rica. From the pictures I've seen it's just so beautiful – it's somewhere that I've always wanted to go. I'd have some kind of crazy, sexy, naked rainforest. That would be amazing!

**Do you have any hidden talents?**
I'm training in knife combat at the minute, and I can do some pretty impressive little tricks. But don't worry, I don't mean to scare anyone!

**How could a bloke give you a perfect first date?**
Take me to an animal park. I love monkeys. We could have dinner in the monkey sanctuary? Pretty scary, but at least you'd remember it!

**Thanks for the chat, Ellis! Finally, what can we expect from you in the future?**
I'd love to have a *Nuts* cover one day. We'll see! ✖

# Scott Mills Vs the Nuts Question Bucket!

The Radio 1 legend on Lady Gaga, working for Homebase and rigging the lottery!

**THE RULES** are simple. We fill our bucket with ridiculous questions, then a famous type picks them out at random and has to answer them!

**Have you ever presented an entire radio show with no trousers on?**

I've presented various TV shows in stupid outfits. But no, I've never presented my radio show with no trousers on.

**Have you ever used the infamous "Flirt Divert" number from your own show on anyone?**

I have! It was in Cardiff, on a really persistent girl from the Rhondda Valley. People sometimes make the classic mistake of saving the number as "Flirt Divert". Don't do that though, because when you swap contacts, the game's up.

**What's Katy Perry like at close quarters?**

So stunning she's almost not real. We did this thing called "You Control Katy Perry" where she was locked in a white room for an hour. It wasn't the best idea, giving listeners the say of what they'd like to do with Katy Perry. Most were unbroadcastable. I introduced her to a Russell Brand lookalike, which was awful because she thought it was actually him and ran out, crying.

**Who's the grumpiest sourpuss you've ever interviewed?**

Flo Rida. Nothing to say. No interest in being there. I felt the same.

**Is it true you used to present on Homebase FM?**

I did. It wasn't live. It was pre-recorded links. I had absolutely no idea about anything I was talking about. I remember there was always 30 per cent off plants. I was like, "Why's that offer still on?" I'd say, "Must end Monday!" But I'd think, "It's not going to end. I read this every week." It was weird. I'd go into Homebase and there would be me talking about garden chairs.

"Hey, Crouchy – fancy making a donation?"

**What happened to *Scott Mills: The Musical*?**

It was a stupid thing we did at the Edinburgh Festival. I hate musicals. We did a tongue-in-cheek one about my life because I thought, "Who the f**k would want to know about my life?"

**When you spent five days trekking the Kaisut desert for Comic Relief, did you wish you'd stayed at home?**

It was like a bizarre school camping trip, only you'd open your tent and instead of your friend from school, there would be Dermot O'Leary. Lorraine Kelly was washing her face in a bowl and Craig David was singing in the tent next to me. By the Wednesday of the five days, a bit of me wished I'd stayed at home.

**When you present the National Lottery, are you tempted to fix the draw?**

No. Really not. Otherwise I'd have to leave the country. They retired one of the machines and I asked if I could have it, and they said yes. It seemed like a good idea but I'm sure I'd have got it home and thought, "What the f**k am I going to do with it?" But then they said, "No, we have to put it in the lottery museum." Sorry, I didn't know about any lottery museum!

**When you were awarded an honorary degree from Southampton Solent University in 2009, did they make you pay tuition fees?**

No. It was the best degree ever. I turned up and before I knew it, I was in some robe and had a degree. I did have to give a speech for justification.

**What was the worst review of your autobiography, *Love You Bye*?**

I read one that says, "None of the stories really finish and you don't really learn anything you wouldn't hear on his show." Charming! ▶

INTERVIEW: RICH PELLEY PHOTOS: COLIN WILLIAMS

"Ace! I've won a year's supply of radishes!"

**Is Lady Gaga as gaga as she seems?**
She's fairly mental but she has a persona to maintain. You can't really imagine her sitting at home watching telly, wearing tracksuit bottoms. But she must.

## RADIO BLOKE!

"So, this is definitely legal tender in Pontefract, yeah?"

**What's the worst haircut you've ever sported?**
The frosted tips I had in 2003. There are pictures of me from ten years ago that looks like they're from 1983.

- *Scott Mills: Weekend Anthems* is available from iTunes now.

INSIDE BRITAIN'S
BIKER WARS

## A look inside the shady world of motorcycle clubs...

**WITH A** reported increase in European gang activity this month, interest in the murky world of motorcycle clubs is riding high. *Nuts* chats to Tony Thompson – author of new book *Outlaws: Inside The Hell's Angels Biker Wars* – about the hard-partying, hard-fighting world of the "one per centers"...

**Hello Tony. Tell us about the biker gang scene in 2013...**

First, there's a world of difference between an MC [motorcycle club] and an MCC [motor cycle club.] Anyone can join an MCC. With an MC it's a commitment. You have to be there for your brothers and if there's an event or party on you have to go.

**Why do the members call themselves "one per centers"?**

After a huge drunken riot at drag race meeting in 1947, the American Motorcycle Association declared that 99 per cent of bikers were "well-behaved citizens" and one per cent were "outlaws". The MC gangs have used the term ever since.

**Were the Hell's Angels the first of the biker gangs?**

No, the Outlaws formed in Chicago in 1935, though there were others before that. At first they were just motorcycle clubs, then Second World War bomber pilots started joining them. These people had come out of a brutal war and wanted to live by their own laws. They'd wear swastikas because it was so offensive. These hairy blokes would also French kiss each other in public to shock!

**What about the biker scene in Britain? Is there a history of violence?**

That goes back to 1970 with a clash between the Hell's Angels and Road Rats where a shotgun was used. There was more recently a battle between the Warwickshire Pagans and Ratae MC from Leicester. Eighty Ratae tried to storm the Pagan clubhouse. It was like a medieval siege. It ended with the death of a Pagan member a couple of days later in a botched raid on a Ratae farmhouse.

### THE SCENE IN 2013!

- **EU law enforcement agency Europol has warned the continent's police forces to prepare for possible turf wars as gangs expand their operations.**
- There are now more than 700 biker gang chapters in Europe.
- **In England and Wales the Outlaws have 30 chapters.**
- Gangs expanding into Europe include the Comancheros from Australia, Rock Machine from Canada and the Mongols and Vagoes from the US.

**What are the biker gangs' relationship like with other crime organisations?**

No one joins a biker club in order to get involved in organised crime. But if you want to get involved in criminality, being in a biker club makes it easier as you have great back-up.

**Do Brits have ties with European biker clubs?**

All clubs like the Hell's Angels and the Outlaws have international chapters. In mainland Europe they have stronger links to drug-dealing than they do in England, but it can happen. The Hell's Angels in Liverpool tried to collect a debt on behalf of a dealer and one was killed.

The last known image of Gerry Tobin before he was murdered

**Did the 2007 Hell's Angels murder come as a shock to the scene?**

Yes, that was the killing of Gerry Tobin by the Outlaws. The Outlaws was a consolidation of clubs in the Midlands, brought together to stand up to the Hell's Angels who were oppressing them. As a result of that initial battle between the Pagans and the Ratae, a lot of the Pagans ended up in prison.

**What's happened since then?**

During that time the Angels started the Bulldog Bash, a event which takes place in Warwickshire, on Pagan territory. Without them going to prison it would never have taken place there. One faction wanted to shoot any Hell's Angels to show they couldn't have free reign.

**The Hell's Angels have had trouble with Luton Town's mob, the Men In Gear...**

Yes, that was in 1990. The Hell's Angels came off badly. The MIGs asked the Angels to leave a pub and it got nasty.

**Why are jacket patches so important?**

One thing they do when fighting is take each other's patches – and they have to be protected. When Tobin was lying on the road dying, a Hell's Angel took his patches so no one else could have them.

**What's happening with biker gangs now?**

They're less interested in fighting now and more interested in making money. Growing rapidly in the UK and Europe, there are twice as many members as there were a decade ago.

**And if a person wanted to join, how would they go about it?**

Go to a pub where they congregate and buy them a drink. They'll either laugh at you or tell you a bit more! ✖

## HOLLY PEERS PRESENTS...

# Naked Brunettes!

**Four sultry stunners invite you over to the dark side!**

“Brunettes may look innocent but they’ll show you a wild time!”

# Holly Peers

**Hi Holly! What are your plans for 2013?**
Hello! I've made it my goal to pass my driving test. Even though I don't live at home any more, I still ring my dad up asking for lifts.

**Oh dear! What makes brunettes so darn sexy?**
People don't even notice my hair – they just notice my boobs! I've been blonde and it didn't work for me. I'm 100 per cent brunette.

**Do you think you're wilder than blonde girls?**
It depends how much I've had to drink. Ha-ha! I've always thought brunettes are a bit cheekier. They have this naughty, sexy vibe going on. They may look all innocent but they'll show you a really wild time!

**How wild exactly was your last wild night?**
Very. I'm a disaster! I used to be such a homey girl, then I met India Reynolds and Rosie Jones. Now I'm always out on the town.

**Who's the worst of you three busty brunettes?**
Definitely not me. We went to Vegas recently and there were nights when I got back at a reasonable hour. The other *Nuts* girls had been up all night in the casino, drunk and clambering all over the fruit machines. There's one amazing picture with me by a fruit machine, and one of them has hiked my skirt up and the other two are biting my bum!

**What's the rudest thing you've witnessed?**
A whole gang of us went to Amsterdam recently and we stumbled into a sex shop. The stuff in there was off the wall. There were

▶

**"In Vegas, the other *Nuts* girls hiked my skirt up and bit my bum!"**

“My raunchiest outfit is a body with a see-through front!”

gimp masks with toilet brushes on the front so you can get downstairs.

**What's a really great look on a bloke at the moment?**
A gimp mask. Ha-ha! No, I'm not into the manicured look. I like a man to be hairy. What I want is a Chewbacca – a big hairy ape!

**Who do you currently have a girl crush on?**
I'm really into Channing Tatum's wife, Jenna Dewan. She's amazing – she has a gorgeous, natural face and hot, dark hair. She's a mix of Mila Kunis and Megan Fox.

**When was the last time you were caught out naked?**
I did this really rude shoot not too long ago where some builders were working outside. Suddenly they were paying a lot of attention to their scaffolding!

**What's the sexiest thing in your wardrobe?**
I own an all-in-one body that's see-through down the middle between my boobs! It has leather panels down the side and it's about the raunchiest thing I'll wear.

**What's your fave TV show?**
*Peep Show*! I love it. I'm a bit like Jez, just day-dreaming through life, hoping everything will be OK.

**What films are you into?**
I love horror films! I'll happily sit through *Saw*, *Hostel* or *The Texas Chainsaw Massacre*, but I prefer the really intense horrors.

**Thanks, Holly! Finally, where would you take *Nuts* on a really great night out?**
Back in Manchester I always hit the Northern Quarter. We're impossible to chat up because we're so badly behaved. Rosie's also always chucking stuff around – she threw a candle at me and gave me a black eye the other week! ▶

**“There’s nothing sexier than a thick mane of chocolate-brown hair!”**

# Stacey Poole

**Hi Stacey! It's a bit miserable outside. Tell us something that'll cheer us up.**
Well, I'm back in *Nuts* with my boobs out!

**What's the sexiest item of clothing you own?**
I wore a black mesh all-in-one body suit for you lot once. It was see-through and I felt like I was naked!

**Do you feel sexier being a brunette?**
Brunettes look more luscious. There's nothing sexier than a thick mane of chocolate-brown hair.

**Is it true your best mate is also a glamour model?**
Yes. Sarah McDonald. We were scouted in Ibiza.

**You two must really stand out on a night out!**
No way! Blokes never approach us. Also, when we dress up for nights out the boobs stay under wraps.

**OK then, quiet night in or wild night out?**
Wild night out then quiet night in! I hit Leeds with ten of my mates – it's always a ridiculous night out.

**Who do you have a girl crush on at the moment?**
I'm slightly obsessed with *Nuts* girl Sabine. I do fancy her. She oozes sex appeal!

**What kind of bloke do you look for?**
I like dark hair with tattoos, though I always look for personality first.

**Finally, do you ever get boob envy on these sexy shoots?**
Yes! Girls are always checking each other out to see what other girls have! ►

**"I fancy *Nuts* girl Sabine – she oozes sex appeal!"**

**"Rosie Jones has a gorgeous face and beautiful boobs!"**

# Joey Fisher

**Hi Joey! Did you enjoy the shoot?**
Hello! I loved it. I've always wanted to be in *Nuts*. I've been reading it for years and have a stash under my bed. I love how the girls always look exotic and sexy. It's not just, "Here are some nipples!"

**Who's the sexiest *Nuts* babe?**
Rosie Jones is my favourite. She has a skinny waist, a gorgeous face and massive, beautiful boobs. She also seems like a good laugh!

**What are you like on a night out on the town?**
I'm quite well behaved – I don't flash my boobs – though my threshold for stupidity is reduced the more I drink.

**What's the rudest thing you've seen?**
In Magaluf this summer, there was this game on stage where three girls had to give three lads a love bite in the rudest place possible. That was kind of funny!

**Did you go topless while you were in Magaluf?**
Yes. We were on the pedalos topless and suddenly had a lot of lads swimming out quite far to get a look!

**What do you wear in bed?**
I always sleep topless. It's a bit of a nightmare. I have to sleep on my front so they can't move around!

**Thanks, Joey. Finally, what's your sexiest underwear?**
I have a red lacy set that's pretty special. I wear thongs, not pants. Thongs are comfortable because they feel like you have nothing on. French knickers always ride up into your bum. Thongs are sexy and low maintenance! ▶

> **"I have to sleep on my front so my boobs don't move around!"**

"I once had a pillow fight in my undies with Lucy Collett!"

# Emma Frain

**Hi Emma! Tell us why brunettes are so sexy.** Well, there are different types of hot brunettes. You get the English rose types, then you get the very exotic ones.

**What's the best thing about being brunette?**
People think I'm exotic. But the illusion's shattered when people find out that I'm actually from Stoke!

**Who's your ideal brunette?**
Megan Fox! She can be a rock chick or be super-sexy on the red carpet.

**What's the rudest thing in your wardrobe?**
I own a silky red bow that you can wrap around yourself so it covers your boobs and bum. With one pull, it all comes off!

**What do you like in a bloke?**
I like very sexy, mischievous eyes. They need to be laid-back and up for a laugh, too.

**What should us boys wear in the winter to look good?**
I like a man in a hoodie. I also have a thing for guys in beanies – if you can rock a beanie, you'll win me over.

**Have you ever had a naked pillow fight?**
Almost. I had a pillow fight in my underwear with Lucy Collett – I threw a pillow at her because she was taking the mickey out of me.

**Thanks, Emma! Finally, are you partial to a racy text message or two?**
I like sending sexy texts, but not just to any bloke. If I had the right man, I'd happily send him a flash of boob or a peek at my underwear! ✖

**FILM4/HD** • 11.05pm

Howard Marks was a Welsh smuggler of narcotics in the '80s who made a packet, lost most of it and then went on to become a rather tedious media star whose chief talent was banging on about being a narcotics smuggler. Even so, his life story is half-remarkable and this is an enjoyable romp. Rhys Ifans stars.

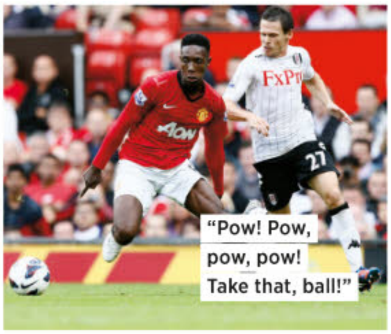
### GAG OF THE WEEK!

**ALAN CARR LIVE: SPEXY BEAST**

**CHANNEL 4/HD** • 10.50pm

"I've got myself a wind turbine for my front garden. It's not for the environment – I'm having a row with the man across the road who's got a combover!"

# Saturday 26 January



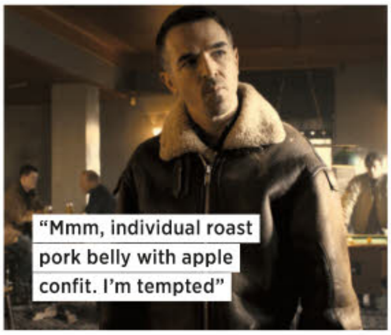
"Pow! Pow,
pow, pow!
Take that, ball!"

## Man United vs Fulham

**ESPN/HD** • 4.30pm

Man United's treble ambitions were given a real workout in the last round of the FA Cup as they squeaked past West Ham after a replay. A similarly tricky fourth-round tie awaits against the Cottagers. Something tells us Dimitar Berbatov will be up for this.

★★★★★



## Wild Bill

**SKY MOVIES PREMIERE/HD** • 12.15am

Fans of *This is England* will love the uplifting story of a reformed street gangster on parole, played by Charlie Creed-Miles, trying to reconnect with his sons. This often darkly comic and compelling Brit-drama directed by Dexter Fletcher also stars Will Poulter, and it's well worth a watch.

★★★★

"Help! I can't

## England vs India

**SKY SPORTS 1/HD** • 3am

We're off to Dharamsala for the final one-day clash between the two teams. At the time of writing, it's dead level, but whereas the first game of the series resulted in a narrow England victory, India absolutely wiped the floor with them in game two. Still, the Test series win alone was a remarkable triumph.

### PUNT OF THE WEEK!

**STOKE VS MAN CITY**

**ITV1/HD • 12.10pm**

Man City have failed to beat Stoke away in six attempts, with their last four Prem visits finishing 1-1. Go for the same scoreline in this FA Cup tie.

# Sunday 27 January

"I warned you,
Bob – look out
for the potholes!"

NEW SERIES!

## Top Gear

**BBC TWO** • 8pm

Sunday nights have been as dull as life before *Nuts* of late, so it's nice to have Messrs Clarkson, Hammond and May back to set the world to rights with a new series of motors-related madness. In a neat crossover this week, Jezza attempts to get the *Dragons' Den* gang to fund his bonkers new motor.

★★★★★

"Yeah, definitely

moobs, pal"

## Leeds vs Spurs

**ESPN/HD** • 2pm

After swatting aside League One side Coventry in the FA Cup third round, Spurs would have been hoping for a slightly easier route to the last-16 than a visit to Elland Road. Leeds needed a replay to see off fellow Championship side Birmingham in the last round, but boss Neil Warnock's likely to have his team fired up for this one.

★★★★

"There you are,
pumpkin, you'll

## The Fighter

**CHANNEL 4/HD** • 9pm

Mark Wahlberg plays the fighter of the title, Micky Ward, in this true-life drama about a highly rated brawler trained by his brother (Christian Bale) who also happens to be a hopeless drug addict. Bale won an Oscar for his performance, but it's hard to fully connect with his character, who's so utterly selfish and messed up.

**THE PIRATES! IN AN ADVENTURE WITH SCIENTISTS**

**SKY MOVIES PREMIERE/HD • 8pm**

We weren't sold on the idea of an animated comedy narrated by (shudder!) Hugh Grant, but this tale of a buccaneer trying to win the Pirate of The Year is a laugh!

# **Monday** 28 January

"Oi! You there! Have you paid and displayed?"

## The A-Team

**FILM4/HD** • 9pm

The classic '80s TV series is given a welcome cinematic reboot, with Liam Neeson playing the charismatic leader of a group of renegade war veterans fighting to clear their name after they're set up. Bradley Cooper, UFC star Rampage Jackson and Sharlto Copley have tremendous fun as his comrades in arms.

★★★★

NEW SERIES!

"Well, it's like I said – morris dancing can be hazardous"

## Criminal Minds

**SKY LIVING/HD** • 9pm

With the likes of *The Mentalist* and the various *CSI*s meaning you never have to look too far to find a decent US police procedural drama, it would be easy to overlook this. Back for its eighth series, it follows a group of FBI types as they tackle suitably baffling cases. Here, they welcome a new member, then hunt for a killer.

★★★

"Mate, do you have to photograph every lolcat?"

## Catfish: The TV Show

**MTV** • 10pm

The dating docu-drama based on the 2010 film this week follows Kim. She's been talking to a bloke named Matt for ten years who she's yet to meet. Planning to change that, she contacts host Nev. The problem? She's in a relationship. This could end badly.

★★★★★

BLOKES ONLY!

**MAN-EATER OF THE CONGO**

**NAT GEO WILD/HD** • 8pm

Two kayakers journey into the Congo to try to find the croc that killed their friend. Sounds a bit mad. Which is why we're watching it.

# **Tuesday** 29 January

● New issue on sale today!

"Ginger? No, I think you'll find it's burnt umber"

## Louie

**FOX/HD** • 9pm

If you missed last week's opener of this new sitcom written by and starring Louis CK as himself, get on board now. Episode two sees the comic's divorce finalised and him trying to move on by tracking down a woman he knew in school. A fresh, thoughtful, very funny addition to the semi-autobiographical sitcom genre.

★★★★

"Listen, you've taken the January detox too far"

## American Horror Story: Asylum

**FOX/HD** • 10pm

In an era of creepy suggestive horrors, it's good to know there's a series unafraid to hold back the gore. And this second series, ending here, has topped the madness of the first!

★★★★

"Are you sure it's not too early for this housewarming?"

## The Following

**SKY ATLANTIC/HD** • 10pm

Escaped serial killer Joe Carroll is back slurping porridge and watching his back in the showers, but that doesn't mean everything's suddenly hunky-dory for FBI agent Ryan Hardy (Kevin Bacon). Why? Because the twisted killer's managed to engineer the kidnap of his own son, Joey. Top-quality crime drama.

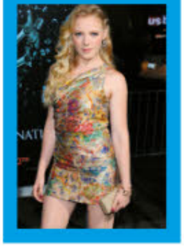
★★★★★

BRAND NEW BABE!

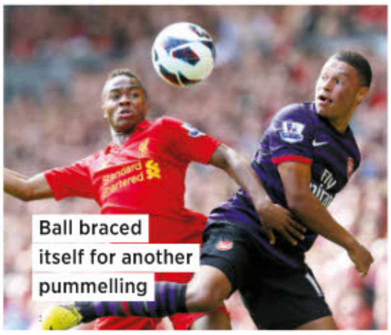
**DALLAS**

**CHANNEL 5/HD** • 9pm

We're not interested in the plot of this oldie US soap revival, blonde beauty Emma Bell is a good enough reason to tune in.



# Wednesday 30 January



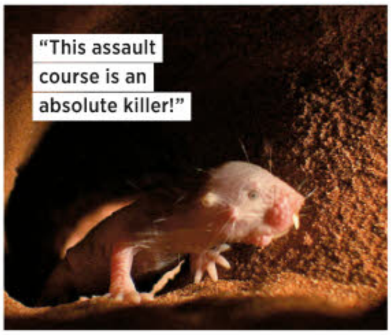
Ball braced itself for another pummelling

## Arsenal vs Liverpool

**SKY SPORTS 2/HD** • 7pm

Neither of these somewhat sleepy giants can lay claim to a great season so far, with both being left behind by other clubs' financial extravagance, so both of them will be keen to register a win here as they bid to kick-start long-awaited revivals.

★★★★★



"This assault course is an absolute killer!"

## Africa

**BBC ONE/HD** • 9pm

It's a strange old environment in the Sahara Desert, with thousand-mile sandstorms, areas that won't see rain for half a century – oh, and it does tend to get quite hot there too. Some of the creatures that live there are the toughest, not to mention weirdest, on Earth, as this latest jaw-dropping instalment proves.

★★★★

"See? I told you it was one of those bald caps"

NEW SERIES!

## Derek

**CHANNEL 4/HD** • 10pm

Channel 4 gave us a sniff of things to come when they first showed this Ricky Gervais comedy-drama as a one-off pilot last year, but now it's back for a full run. Set in an old folks' home, it's a bit different to Gervais' usual stuff and is a fairly bittersweet affair. But stick with it. Regular sidekick Karl Pilkington co-stars.

★★★★

### DO NOT WATCH!

**FUNNY BUSINESS**

**BBC TWO/HD** • 9pm

A docu about how comics accumulate cash. To be honest, we're more bothered about how good their gags are. Give it a miss!

# Thursday 31 January

"I've been pressing this shaving cut for hours!"

## Suits

**DAVE/HD** • 9pm

If anything, series two of the US slick legal drama following a gifted college dropout who somehow makes it as a lawyer is shaping up to be even more enjoyable than series one. Personal aggro abounds for Mike this week, as he confronts Rachel about the phone message she left him at the end of the first series.

★★★

NEW SERIES!

## Charlie Brooker's Weekly Wipe

**BBC TWO/HD** • 10pm

The sultan of sarcasm played an absolute blinder with his *2012 Wipe*, and now he's back (along with that trademark sardonic humour) to give the week's events a good kick in the balls, with the added element of some celebrity pals. Good stuff!

★★★★

"Don't worry, I'll get that Tic Tac out in a jiffy"

## Way To Go

**BBC THREE** • 10pm

As though being a partner in an illegal assisted suicide business isn't stressful enough, Scott cranks things up a few notches by falling for his first client's daughter (though it is the lovely Laura Aikman, so you can hardly blame him). All he has to do now is stop her finding out about his business. Good luck, mate!

### SOFA AMMO

**THE 40 YEAR OLD VIRGIN**

**SKY MOVIES COMEDY/HD** • 10pm

The scene where the virgin in question, Andy (Steve Carell), has his chest hair removed was shot in just one take. Why? Because it was actually removed for real. Ouch!

### DMC: DEVIL MAY CRY

PS3, Xbox 360

Confident reboot of the emo/goth hack'n'slash puts our hero Dante in an alternate up-to-date universe while still fighting pesky demons with his double swords/big gun combo. What's left refreshingly alone is the frantic, stylish combat, and the result is a sunny window in the usually terminally dreary January release schedule. First great game of the year. ★★★★

# 10 RUDE QUESTIONS!

And a real girl to answer them!

## Zoe

20 **Essex**

**1 Where's the strangest place you've had sex?**
"I actually like to keep it private and in the bedroom. I've not been too experimental in that department."

**2 What's your trademark move in the bedroom?**
"I like to strip for a guy before getting down to anything. It's cute seeing them so mesmerised!"

**3 What really turns you on?**
"I love muscular, tattooed men, so someone who can take control and get a bit rough. I love being kissed on my back and neck, too."

**4 What's your favourite position?**
"I love positions where the man is in control. I love doggy-style and the good old missionary position. I like the feeling of being underneath a real beast of a man!"

**5 Is it better to give or to receive?**
"I think it needs to be shared. I'll always deliver but I love receiving as that what really heats things up for me!"

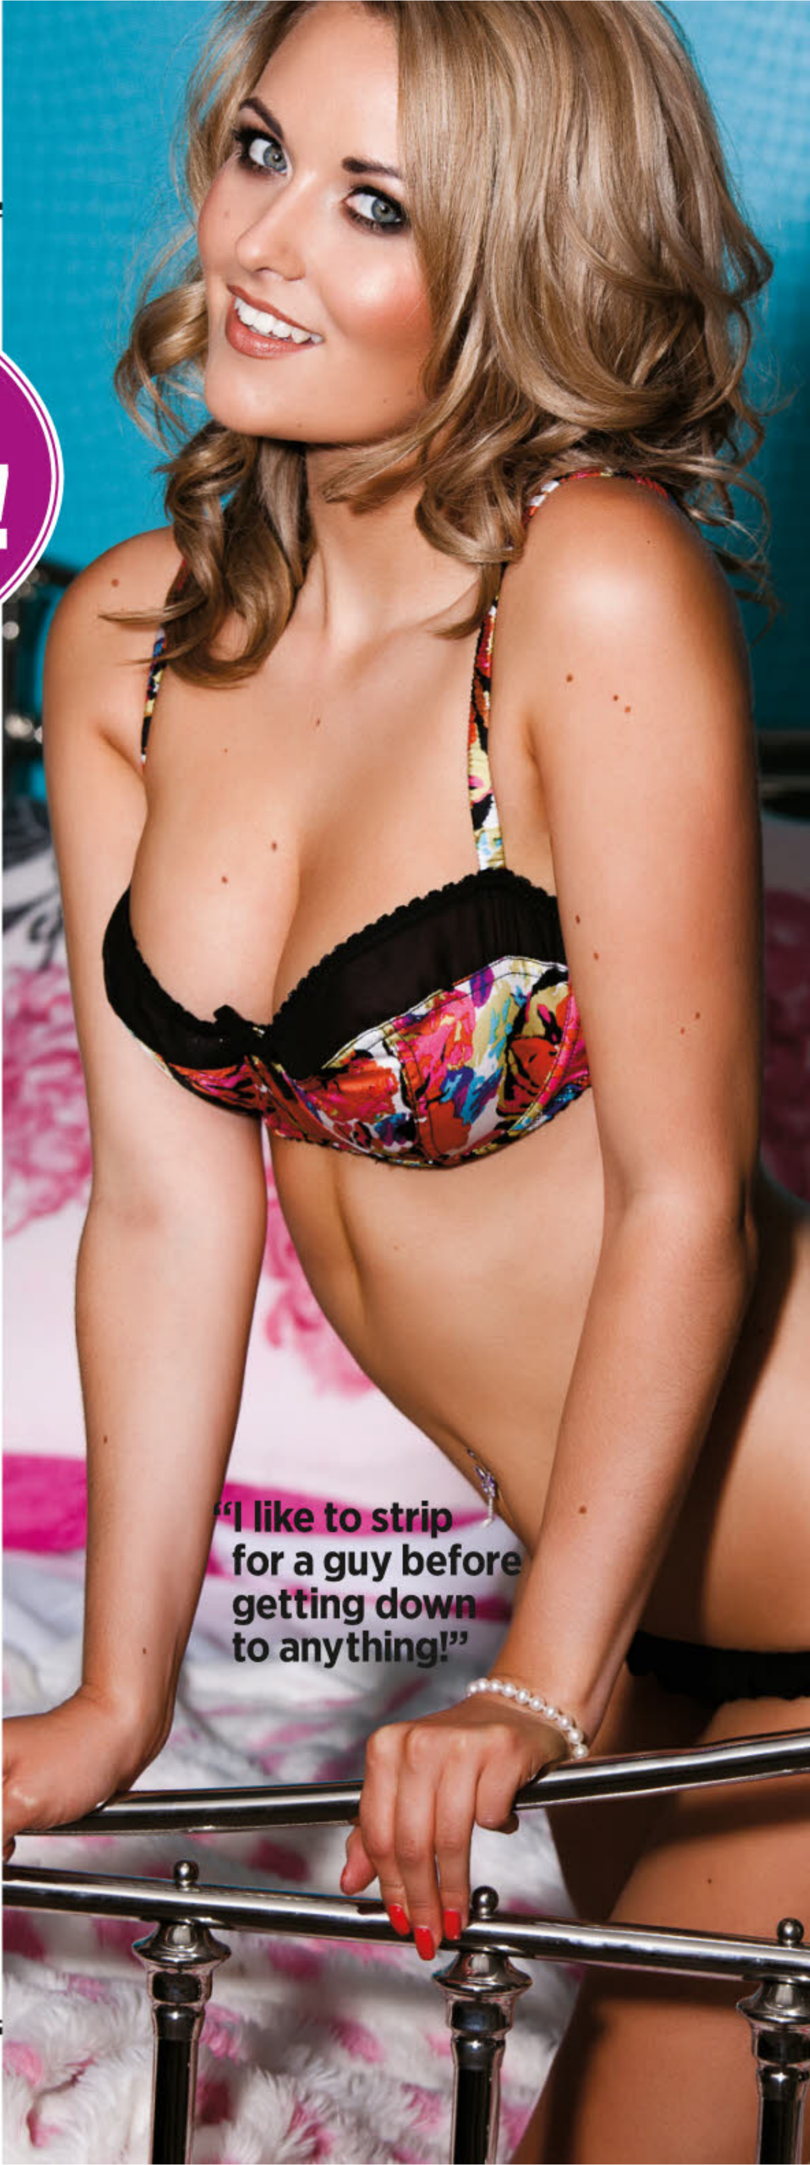
**6 What one thing would you really like to try but haven't yet?**
"Interrupting a man at work wearing nothing but a set of sexy underwear and having sex in the office. I love a man in a suit."

**7 Ever got it on with another girl?**
"I've kissed a few of my friends, but I think I'd only go further for a Mila Kunis lookalike."

**8 What's your role-playing costume of choice?**
"I have a fantasy of being dressed as a schoolgirl and being punished by a teacher. In the potions cupboard with Professor Snape would be ideal!"

**9 Have you ever made a sex tape?**
"There's a tape of me giving an ex-boyfriend a blow-job but I think that's got lost now, so it's time to make a new one, I guess!"

**10 What's the rudest thing you've ever done?**
"After having a few drinks back at a hotel room, I ended up getting involved in a very hot threesome with a couple of guys."



"I like to strip for a guy before getting down to anything!"

CONFESSION OF THE WEEK!

## 'Batman came to my rescue'

**MY FELLA** and I had been invited to a fancy-dress party, so, one afternoon, we nipped down to a local shop to find an outfit. He tried on a Batman outfit, which looked very sexy – he could see from my face that it was a winner and pulled me into the cubicle. Hands on hips, he ordered me to face the mirror, then roughly frisked me. Within a minute, I had my jeans down and Batman was taking me from behind. We had to be really quiet, which made it even more thrilling. We're going back next week and I'm going to be Wonder Woman!

**Kathy South London**

## 'I gave him a shop shock'

**I WAS** at home relaxing on a day off, when I got a text from my fella at work saying he was alone and bored. As it was nearing his finishing time, I went to meet him. When I got there, he was at his counter, doing paperwork and looking fed up. His face lit up when he saw me, and he told me to nip behind the counter, in case any customers came in. I slipped in and down on the floor, and he looked shocked as I undid his zip and released his growing erection. He was rock hard by the time I took him in my mouth and I felt extremely horny, knowing that the public could come into the shop at any time. It didn't take too long for him to finish and close up shop for the day. We raced home to carry on our antics.

**Alison via email**

## 'She rubbed mud off me'

**I'D JUST** come back from mountain boarding with my best friend, all wet and muddy, so we jumped in the shower together. She spotted a mud spot on my bum and rubbed it off, then started moving down the inside of my leg. I let out a groan of pleasure, so she took that as a green light and pulled our bodies closer and started stroking my wet pussy. She then pulled my legs apart and kissed the inside of my thighs, and I quivered with pleasure. She gave me oral as I rubbed her big boobs. As I orgasmed, I didn't want her to stop. I couldn't refuse to return the pleasure. Afterwards it dawned on us how naughty we'd been – I'd been with my friend and we both had boyfriends. Oops!

**Daisy Bridgeport**

## 'Steamy shop session'

**I WORK** in a little boutique in the town centre and, as we can't smoke outside the shop, I normally walk down and stand outside the hairdressers. Every day, I see this muscly, heavily tattooed hairdresser and we always give each other a few cheeky smiles. One evening, I was locking up alone when he walked in, smiled at me, then cupped my head and kissed me full on my lips. He slowly kissed me all the way down, then picked me in his huge arms and plonked me on the counter. He pulled my dress up and went down on me for a ten minutes until I came, shaking and panting. He then turned me round and had me bent over the counter, doing me hard from behind. I'm glad we'd steamed up the windows, as anyone could have seen us!

# Football nightmares rated!

## Paul Merson on the games players will hope to forget!

**A COUPLE** of top players have been left red-faced recently by stinkers. First, Chelsea defender Bratislav Ivanovic gifted Swansea two goals in the Capital One Cup, then Stoke's Jonathan Walters headed two own goals and missed a penalty in a 4-0 defeat to Chelsea.

Are these the worst on-pitch nightmares of modern times? Merse recalls some classics!

INTERVIEW: PETE CASHMORE PHOTOS: ACTION IMAGES, GETTY IMAGES, PA PHOTOS, OFFSIDE

### JONATHAN WALTERS

**STOKE CITY VS CHELSEA, 12/1/13: TWO OWN GOALS, ONE MISSED PENALTY**

"I'm not sure it gets worse than this. It's about the unluckiest game ever. Jonathan is the epitome of Stoke City and runs his socks off. He shouldn't have even been where he was for the own goals but I'm afraid he scores maximum points."

**RATING:** ⚡⚡⚡⚡⚡

### PAUL MERSON

**ENGLAND VS GREECE, 17/5/94: NEVER PLAYED UNDER HIS ENGLAND MANAGER AGAIN**

"Yeah, I'm in here! I played one game under Terry Venables, his second game in charge, and even though we won 5-0, I was the worst player on the pitch out of both teams. I'm afraid I was shocking – I was obviously doing stuff off the pitch that I shouldn't have been doing and it all caught up."

**RATING:** ⚡⚡⚡⚡⚡

### JONATHAN WOODGATE

**REAL MADRID VS ATHLETIC BILBAO, 22/9/05: OWN GOAL AND RED CARD ON REAL DEBUT**

"Oh Lord! He hadn't played too many times for England, it was a massive move for him – it's the own goal that's the issue. Some fans actually like it when players are so committed that they get sent off on their debut. I watched it on Sky, and oh boy, I felt for him."

**RATING:** ⚡⚡⚡

### PETER ENCKELMAN

**BIRMINGHAM CITY VS ASTON VILLA, 16/9/02: CONCEDED OWN GOAL FROM THROW-IN**

"I played with Peter at Villa and I think if he was cute enough, he could have got away with it by pointing out that his foot never even touched the ball. But those Birmingham derbies are big games – you can't get away from it being a serious c*ck-up!"

**RATING:** ⚡⚡⚡⚡

### EMMANUEL EBOUE

**ARSENAL VS WIGAN, 6/12/08: CAME ON AS A SUB, THEN SUBBED OFF AGAIN**

"This was horrendous. He couldn't pass the ball from A to A, let alone A to B. It was a confidence thing, but it was also the worst spell of individual play I've ever seen in a top-level match. It was horrible, the poor lad didn't have a clue – at one point, he tackled team-mate Kolo Touré!"

**RATING: ⚡⚡⚡⚡⚡**

### WAYNE BRIDGE

**WEST HAM VS ARSENAL, 15/1/11: RESPONSIBLE FOR ALL THREE GOALS ON WEST HAM DEBUT**

"There's no shame in being given the runaround by Theo Walcott – when he's on fire, he can do that to anyone, and it was a good Arsenal side. But it's rare that you get caught for all three in a 3-0 defeat. It's not a hat-trick you want but West Ham that day weren't meant to beat Arsenal."

**RATING: ⚡⚡⚡**

### BRATISLAV IVANOVIC

**CHELSEA VS SWANSEA CITY, 9/1/13: TWO SUICIDAL BACK-PASSES**

"Chelsea could still go to Swansea and win by three clear goals, but it was a shocker because Ivanovic is one of Chelsea's best players. With the Michu goal, not too many players could have pulled that off, but the second back-pass could put Chelsea out of the Capital One Cup."

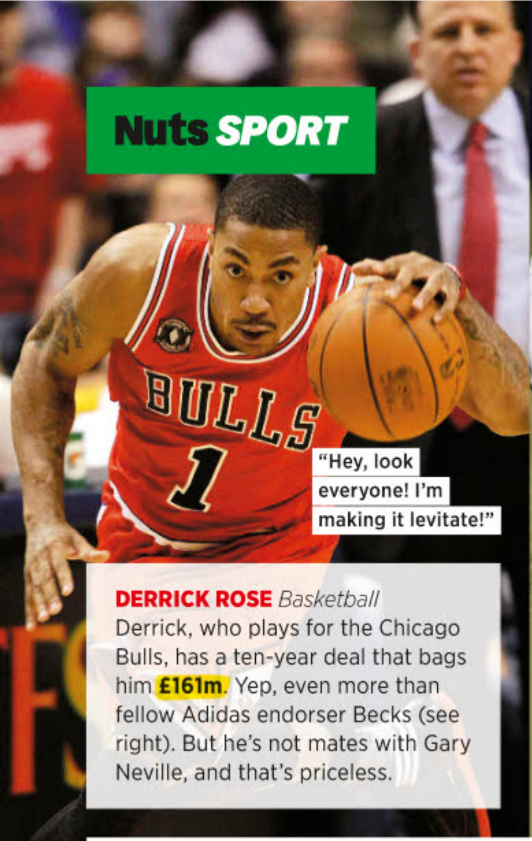
**RATING: ⚡⚡⚡⚡**

### CHRIS IWELUMO

**SCOTLAND VS NORWAY, 11/10/08: MISSED OPEN GOAL ON SCOTLAND DEBUT**

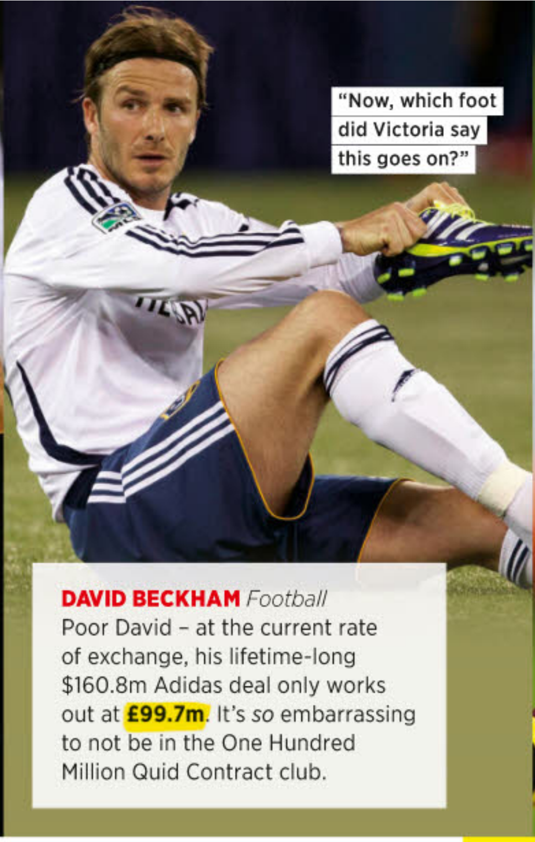
"Every time I watch replays of this, I still think he's going to score. I know it isn't going in but it was just impossible to miss! And it would have won them a World Cup qualifier. It was as open a goal as you'll ever get in international football."

**RATING: ⚡⚡⚡⚡**



"Hey, look everyone! I'm making it levitate!"

**DERRICK ROSE** *Basketball*
Derrick, who plays for the Chicago Bulls, has a ten-year deal that bags him **£161m**. Yep, even more than fellow Adidas endorser Becks (see right). But he's not mates with Gary Neville, and that's priceless.



"Now, which foot did Victoria say this goes on?"

**DAVID BECKHAM** *Football*
Poor David – at the current rate of exchange, his lifetime-long $160.8m Adidas deal only works out at **£99.7m**. It's *so* embarrassing to not be in the One Hundred Million Quid Contract club.

"Can one of you throw me some shades, please?"

**SAMUEL ETO'O** *Football*
Despite being 30 when he joined, Sam's three-year deal with Anzhi Makhachkala of Russia is raking in **£53m**, which is £265,000 per game. He probably celebrates even when he hasn't scored.

# Sport's maddest contracts!

## As Rory McIlroy enjoys £150m, we look at other bonkers deals!

**IT MUST** be fun being Rory McIlroy – he's the number one golfer in the world, he shares a bed with tennis babe Caroline Wozniacki and, to top it all, Nike have just rewarded his ace pitching and putting with a ten-year contract worth $250m – £156m in proper money.

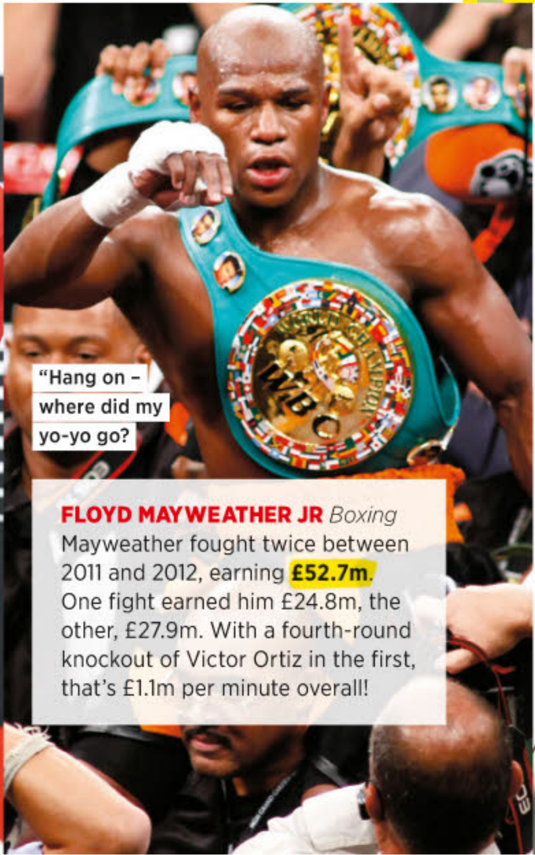
And he's not alone in the world of absurd sporting endorsement deals – don't be shy about asking any of these chaps to lend you a tenner...

### MCILROY'S MILLIONS!

In 2011, at the age of just 22, Rory became the youngest player to reach £10m in career earnings.

"I hope there's a Superdrug near here – I need deodorant"

**FERNANDO ALONSO** *F1*
It's fair to say few F1 drivers are going to fret about the price of unleaded, but Nando leads the grid, pocketing a basic of £18m and another £1.9m in endorsements. So let's just call it **£20m**.

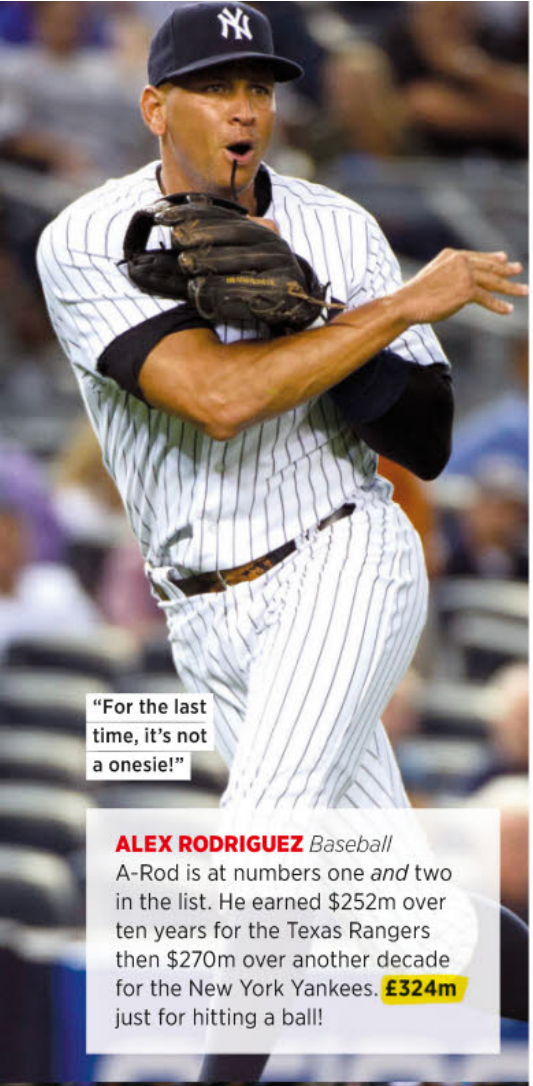


"Hang on – where did my yo-yo go?"

**FLOYD MAYWEATHER JR** *Boxing*
Mayweather fought twice between 2011 and 2012, earning **£52.7m**. One fight earned him £24.8m, the other, £27.9m. With a fourth-round knockout of Victor Ortiz in the first, that's £1.1m per minute overall!

"No, *you* look like Hugh Grant!"

**PHIL MICKELSON** *Golf*
Tiger Woods didn't do well out of his marital infidelities, but Phil did. The year after Tiger's scandal, the family man and world number two coined in **£35.3m** in endorsements. Thanks Tiger, you old dog, you!



"For the last time, it's not a onesie!"

**ALEX RODRIGUEZ** *Baseball*
A-Rod is at numbers one *and* two in the list. He earned $252m over ten years for the Texas Rangers then $270m over another decade for the New York Yankees. **£324m** just for hitting a ball!

"No one's having my giant orange"

**LEBRON JAMES** *Basketball*
When James signed a seven-year deal with Nike worth **£55.8m** in 2003, there was something a tad odd about it – namely, he hadn't even played in the NBA at the time. Turns out he was quite decent.

# "Quote me on that!"

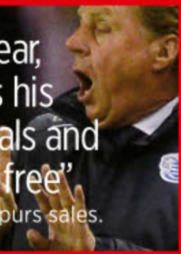
## This week's biggest match debaters!

"We don't have any problems. Apart from the problems we have"
Sounds like Rafa's got problems.

"Taraabt's got to pass it and then get on the end of his pass"
He isn't that quick, Glenn Hoddle.

"Ashley Cole has never shot me"
Josh McEachran dodges a bullet.

"West Ham had a great win against West Ham"
Jeff Stelling on a great result.



"At this time of year, Daniel Levy does his three-for-one deals and buy one get one free"
'Arry Redknapp on the Spurs sales.

"I'm star-struck when I see Paul Scholes because you never see him"
Luis Figo must be seeing things then.

"I'm playing on glass knees and glass ankles"
Ryan Nelsen has some shattering news.

## OO-ER SOUNDS A BIT RUDE CORNER!

"I won't touch many balls"
Demba Ba promises to keep his hands to himself.

"Strikers like to feel the defender in behind"
Speak for yourself, ITV pundit Gareth Southgate.

"I'm looking forward to seeing Suarez have a wriggle up against Vidic"
Sky Sports' Jamie Redknapp loves to watch lap dancing.

# Adkins sacking is a total farce!

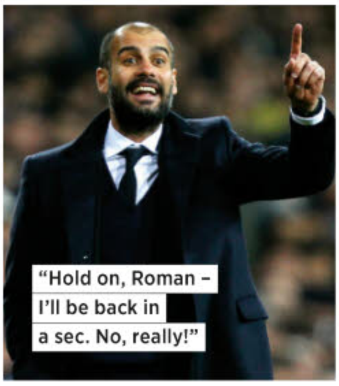
## He warned me it would happen but I still can't believe it!

**THE SACKING** of Southampton boss Nigel Adkins is a disgrace, but in a way he's been lucky to survive this long. I spoke to him at their first home game in the Premier League and asked him if he'd moved down to Southampton yet, and he said, "Of course not. A couple of bad results and I'll be out!" I told him not to be daft, and he said, "That's what these people are like. The people I'm working with here would be in a hurry to get rid of me if we had a bad run."

But he had a bad run, survived it, has lost two in 12, and you think that surely they must see sense now, and think, "Hang on – this chap, who got us back-to-back promotions can actually manage at this level, too." But the laws of logic don't apply to club owners.

What Adkins has done, and the money he's made for that football club, is one of the great managerial feats of recent years – I hope they have the good grace to pay him up in full. Southampton, in the state he's left them, could kick on to bigger and better things, but the gut feeling is that they won't.

The fans will feel let down – in a poll earlier in the season 85 per cent said they were behind Nigel. But logic doesn't apply when it comes to the feelings of fans, either. Disgraceful.



"Hold on, Roman – I'll be back in a sec. No, really!"

# Bayern is a step down for Guardiola!

**I'M STUNNED** Pep Guardiola's going to manage Bayern Munich. I was in London for the launch of the FA's 150th anniversary celebrations and Guardiola was doing a live video link saying how much he loves English football and how he'd like to manage there. There was a posse of journalists there, but before they could even fire off their copy it was announced he was going to Bayern!

Bayern have a great tradition and expect to be getting into – or near to – the Champions League final every year. But I doubt they're paying him what Abramovich would be paying him. Also, people don't talk about the Bundesliga in the way they do about La Liga or the Prem.

# KAMMY'S UNBELIEVABLE-OMETER™

## UNBELIEVABLY GOOD!

**BRAZIL BOUND!**
I'm involved in the celebrations to mark 150 years of the FA. It's a great honour – and I think it culminates in a trip to Brazil to watch England play in the summer!

## UNBELIEVABLY BAD!

£62!! WHERE WILL IT STOP?

**PRICE PAIN!**
Arsenal, don't take the mickey and charge £62 a match ticket. Yeah, the Emirates is a beautiful ground, but you're pricing out normal, hard-working people. Scandalous.

## QPR still have some hope!

**QPR SPLASHED** out £8m on Loic Remy last week and are chasing Yann M'Vila for around £7m, and it's a gamble. I spoke to Harry Redknapp after his third game in charge and he told me the money had been spent, so it's hats off to Tony Fernandes for making another few quid available! But he has to give Harry a chance of keeping the team up – there's no point in QPR doing what Blackburn did and waiting until they're in the Championship before splashing the cash. If they go down, there are a few players they'll have to offload, but I'm sure Fernandes has done his sums and figured out what he can recoup if the worst happens. QPR's supporters should be pleased they're going for it.

"You look different from your photo, Mr Redknapp"

## THE BIG MATCH!

Tiredness suddenly got the better of them

### Stoke vs Man City

**26 JAN, 12.45pm • ITV1/HD**

Stoke might have to go for a replay – they'll be licking their wounds after their first home loss in nearly 11 months against Chelsea and won't want another big defeat. Tony Pulis will take them back to basics and there will be no double own goals!
**PREDICTION: 1-1**

### Key man

Stoke keeper Asmir Begovic is having a superb season and he'll need to be at his best to keep the Sky Blues at bay.

## Wee Gord is the man!

**I'M SO** pleased for new Scotland manager Gordon Strachan. When Craig Levein left the post I texted Gordon and said, "Strachan for Scotland?" and he sent me one back joking he'd put himself in the midfield. Well, he's got the chance now! When it didn't work at Middlesbrough, he left his pay-off because he didn't think he deserved it. And now he gets to manage his country.

"Is that bloke who always copies me still stood there?"

**FULHAM VS WIGAN** Craven Cottage, 12 Jan, 4.26pm
Duff is actually crying foul over Wigan's equaliser.

**Thomas Vermaelen:** "What can he do about it? What can he do? Ask the f**king fourth offical!"

**ARSENAL VS MAN CITY** The Emirates, 13 Jan, 4.10pm
